a Symbol of Quality

Quality Endorsed Company
ISO9001:2000 Lic.No.8704
SAI Global Ltd

The retractable skel provides total flexibility for rear loading and unloading of containers

Rated for 32 tonne (20 foot) boxes

Ultra-slim low neck facilitates the legal cartage of over height containers (subject to truck specifications)

Air operated locking pins and no maintenance sliding suspension mechanism provide a hassle-free operation.

Quality Endorsed Company

ISO9001:2000 Lic.No.8704
SAI Global Ltd

The pull out rear trailer concept provides greater versatility and on-road safety for the cartage of 14.6m (48 foot) containers
